ZONING APPROVAL SIGNATURE:

NOTICE: Separate permits are required for remodeling, construction, electrical, plumbing, heating, and work within a right of way. Applicants are responsible for locating their own lot pins and lot lines. This permit becomes null and void if work or construction authorized has not commenced within 180 days, or if construction is suspended for a period of 180 days at any time after work is commenced.

I HEREBY CERTIFY that I have read and examined this application and know the same to be true and correct. All provisions of Laws and Ordinances governing this type of work will be complied with whether specified herein or not. The granting of a Permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
